

AMENDMENTS

Please amend the application as follows:

AMENDMENT TO THE SPECIFICATION:

Delete the entire text of the Abstract on page 16 and substitute in its place the new text set forth below. Specifically, on page 16, line 2 through 23, the following new Abstract text replaces the existing text:

A portable light for presenting an illuminated illustration such as a warning signal, or a hailing signal or a location signal includes a.) a portable light fixture, including a housing, at least one bulb, a power supply, an electrical connection between the power supply and the at least one bulb, and an on/off switch; b.) a first cover connected to the housing and covering the bulb(s); and c.) a second cover. The first cover is at least translucent, and could be transparent. The housing and/or the first cover includes an attachment mechanism for removably attaching the second cover thereto. The second cover has a distinguishable illustration thereon and is removably attached to the housing and/or the first cover.
